GOVERNMENT AGENTS SEEK OUT AGITATORS IN COAL MINE REGION

Assisted by State Authorities of West Virginia, They Invaded the Districts of Northern Part of the State to Run Down the I. W. W. and Others.

LATTER ARE KEEPING MINERS FROM WORK

Reports to the Department Have Listened to the Call sume Work.

Charleston, W. Va., Nov. 14.-Three unauthorized strikes were preventing miners from returning to work in 10 coal mines in the Kanawha field to-day. This statement was made by the Kanawha Coal Operators' association after the reports for the morning had been tubulated.

More than 600 miners in the Little planned an attack on the jail. Coal river district were said to be "in open rebellion" against their leaders, TRYING TO SHOW closing six mines.

From other districts reports reached the Kanawha association that men were slowly returning to work, and approximately 50 per cent of the union But Evidence Not Strong That Memmines were in operation. Paint Creek reported that about one-half the pits there were turning out coal.

A roundup of radical agitators in the northern West Virginia coal fields was begun to-day when department of juslawless propagands As a result of activity of radicals, authorities say, many coal miners have failed to return to work. While United Mine Workers' officials have announced they were executives and coal operators said they the shooting differed on this point. feared trouble unless the propaganda

was curbed at once. the miners had already returned to the attack by the L W. W. was prebut operators said the actual arranged. number of men at work was far below the union's estimate.

BOTH PARTIES MUST HAVE OPEN MINDS

In Order to Bring About Success of Coal Negotiations, Declares Garfield.

Washington, D. C., Nov. 14,-Success of the conference of coal miners and operators called by Secretary Wilson to begin here to-day in an effort to bring peace to the bituminous coal industry depends on all parties coming into the parley without commitments, Fuel Administrator Garfield said to-day. Dr. Garfield came here at the invita-

tion of Secretary Wilson, who desires his assistance in the conference, which begins this afternoon with Labor Sec retary Wilson presiding. Although the strike of miners has been called off, Dr. Other Economic Difficulties Experi-Garfield retains all war-time powers which the president again conferred on him when the strike was called John L. Lewis, president of the Unitattend the conference.

IGNORE STRIKE RECALL UNTIL SETTLEMENT

Miners in Wilmington, Ill., District Also Refuse to Allow Maintenance Men to Stay on Duty.

Joliet, Ill., Nov. 14.-Miners in the Wilmington coal district at meetings last night voted to ignore the strike recall and will remain idle until a settlement is made on the demands of the operators. They also refuse to allow maintenance men in the mines to stay on duty.

THREE PLANS PRESENTED.

For Adjustment of Labor Disputes by the Esch Bill.

Washington, D. C., Nov. 14.-Labor provisions of the Esch railroad bill, which have brought down an avalanche of unfavorable criticism from labor or ganizations again, were before the House to-day.

Out of the debate on the bill, which started in the closing hours of yesterday's session three plans for the ad justment of labor disputes were brought before the House for action.

Following Adoption of Reservatic; to Article 10 of e Covenant

SEN SODGE HAS SOTURE PROPOSAL

Snate Was Adjourned Today Because of Senator Martin's Funeral

Washington, D. C., Nov. 14.-The senate was in adjournment to-day on ccount of the funeral of Senator Martin at Charlottesville, Va. To-morrow vote will be called on the proposal presented by Republican Leader Lodge to invoke the cloture rule to limit debate on the whole treaty subject. The Democrats were expected to press for adoption the Democrats' plan to limit

debate only on the reservations. The foreign relations committee reservation to article 10 of the league of nations covenant which has caused exhaustive debate in the Senate, was adopted late yesterday by a vote of 46 to 33 in the exact form in which it came from the committee. Four Democrats joined the Republicans in voting to adopt the reservation while the op position was composed entirely of Den ocrats. The reservation to article 10 provides that the United States shall assume no obligations to preserve the territorial integrity or political indecendence of any other country or to nterfere in controversies between na-
